

October 8, 2015

Dear Valued Customer:

In preparation for the Salem Office relocation on November 10, 2015, we are preparing to transfer the night depository to the new Salem Office located at 2424 E. State Street, Salem, OH 44460. As part of the transition process you will need to sign for and pick up a new key for the relocated office night depository. Please visit the Farmers National Bank Salem branch to sign for your new key between now and November 10, 2015. When picking up your new key, please remember to bring your old night depository key for return. As of November 11, 2015 your existing key will no longer work.

We are happy to assist you with this process to make it as seamless a transition as possible. Please contact Jenny Petrey at 330-332-1558 from 9 a.m. to 4 p.m. Monday through Friday if you have any questions or further concerns about this matter.

We appreciate your understanding and patience during this time. Thank you for being a valued customer of Farmers National Bank and we look forward to continuing to service your financial needs in the future.

Sincerely,

A handwritten signature in cursive script that reads "Russell Hill".

Russell Hill
Salem Branch Manager
