

October 2, 2015

Dear Valued Customer:

The transition to Farmers National Bank is scheduled to take place on November 2, 2015. As part of the transition process we will need you to close your safe deposit box held at the First National Bank Salem branch and open a new box at the Farmers National Bank Salem branch before October 30, 2015.

We are happy to assist you with this process to make it as seamless a transition as possible. Please stop into the First National Bank Salem branch between now and October 30, 2015 to transition your safe deposit box from First National to Farmers. Please contact Russell Hill at (330) 277-4321 if you have any questions or further concerns. If you wish for your box to be relocated to a different Farmers National Bank location, please contact the number above and we will make those arrangements for you.

We appreciate your understanding and patience during this time. Thank you for being a valued customer of First National Bank and we look forward to continuing to service your financial needs in the future as a newly combined company.

Sincerely,

Russell Hill
