

October 8, 2015

Dear Valued Customer:

In preparation for the Salem Office relocation on November 10, 2015, we are preparing to transfer your safe deposit box to the new Salem Office located at 2424 E. State Street, Salem, OH 44460. Please be assured that nothing else will change but the location; the size of the box will remain the same, your existing key will continue to work and we will **NOT** be opening the boxes.

The safe deposit boxes will be relocated by November 12, 2015. Please contact Jenny Petrey at 330-332-1558 from 9 a.m. to 4 p.m. Monday through Friday if you have any questions or further concerns about this matter. If you wish for your box to be relocated to a different Farmers National Bank location, please contact the number above and we will make those arrangements for you.

We appreciate your understanding and patience during this time. Thank you for being a valued customer of Farmers National Bank and we look forward to continuing to service your financial needs in the future.

Sincerely,

A handwritten signature in cursive script that reads "Russell Hill".

Russell Hill
Branch Manager
Farmers National Bank
