

Contactless way to cut closing costs

Save  
**\$250**  
on Closing Costs

when you download the  
Mobile Mortgage App

At Farmers National Bank, our Home Mortgage Team is here to assist you through the mortgage process with our contactless mortgage app. With the Mobile Mortgage App, you can start your loan process, securely upload documents, safely sign off on forms and stay in touch with your lender all in one convenient app on your phone. Plus, when you download the app, you'll save \$250 on closing costs.
